		Charged in advance	**This is a pass-through Gov't charge on behalf of Water NSW. This fee is based on last year 2024-25 charges.**			
	2025/2026: Fee charged to 30.09.2025 -	**First Quarter only Fee = $2.61 per WE**	Water NSW Regulated Bulk Water prices as determined by IPART:			
			General Security - Water NSW Fixed Charge - $1.15			
			General Security - Water NSW WAMC# Fixed Charge - $1.40			
			General Security - MDBA Fixed Charge - $4.43			
			General Security - MDBA WAMC Fixed Charge - $0.73	$7.71		
3	**Fixed Gov't Fee - Stock & Domestic**	Annual Fixed Fee	**Based on Stock & Domestic licences held.**		$64.20	per S & D
	Stock & Domestic WAL volume = 736 ML	**Charged in advance**	**This is a pass-through Gov't charge on behalf of Water NSW. This fee is based on last year 2024-25 charges.**			
	2025/2026: Fee charged to 30.09.2025 -	**First Quarter only Fee = $16.05 per outlet**	High Security S & D - Water NSW Fixed Charge - $2.63			
			High Security S & D - WAMC# Fixed Charge - $1.40			
			High Security S & D - MDBA Fixed Charge - 10.07			
			High Security S & D - MDBA WAMC Fixed Charge - $0.73	$14.83		
			#Water Administration Ministerial Corporation charge			
4	**Stock and Domestic Fees**	WCPID Annual Fixed Fee	Based on number of extraction sites per holding.			
		Charged in May for previous year	Charged regardless of supply usage			
4a		**Categories:**	Tier 1 - Member - Delivery Entitlement (DE) holder		$182.00	per ext. point
4b			Tier 2 - Intervening Member - No DE's		$790.00	per ext. point
4c			Tier 3 - unlicensed Area - No DE's - Subject to Board Approval		$995.00	per ext. point
4d			Specific - Murray Local Land Service - based on no. dams		$790.00	per dam
4e			Specific - Village Supply to Daysdale - based on no. extraction points		$182.00	per ext. point
	Note: All Network Access and Government fees are payable regardless of seasonal allocation levels					
	VARIABLE FEES				**GST Free**	
5	**Water Consumption** - per ML delivered	Water NSW component	**This is a pass-through Gov't charge on behalf of Water NSW.**	$6.89		
	2025/2026: Fee charged to 30.09.2025 -	**First Quarter only Fee = $6.89**	**The Water NSW fee component is based on last year 2024-25 charges.**			
		WCPID component	Based on ML used through WCPID metered outlets	$22.23	$29.12	per ML
6	**Ancilliary Flow Fee**	Annual Variable fee	Based on consumption in excess of 100% of DE's held on imported water only. (ie water imported from outside WCPID)		$5.00	per ML
		Charged in June (if applicable)				
	LEVIES		*New levy instigated July 2025.*		**GST Free**	
7	**Future Fund Levy**	**Future Fund Levy - Fixed component 50%**	**Fixed:** based on number of Delivery Entitlements held		$5.00	per DE
			Charged in Advance July and January @ $2.50			
7a		**Future Fund Levy - Variable component 50%**	**Variable:** based on Water Usage per ML		$5.00	per ML
			Charged Monthly per individual Group ML usage			
	Note: Fixed Future Fund Levy component is payable regardless of seasonal allocation levels.					

1. Network Access Fee.
Fee calculated to cover ongoing overheads, wages, pumped electricity charges and operational expenses. Determined by Board approval at Budget Board Meeting held Thursday 12.06.2025.

2. Fixed Gov't Fee - General Security component.
Calculation: All General Security volumes held by WCPID, multiplied by Water NSW, WAMC and MDBA fixed charges totalling $7.71
(less ICD Rebate amount), divided by General Security Water Entitlements held by WCPID Members, equals the charge across all Members holding WE's = $10.44.
This is based on the 2024-2025 pricings.
Refer Ref. List a. for ICD Rebate explanation.
Refer Ref. List 2. for calculations

2a. Regulated Bulk Water prices for Murray & Lower Darling River System 2025-2026. These prices apply for the 1st Quarter only - 01.07.2025 to 30.09.2025, as all Water NSW & WAMC fees will not be known until 30.09.2025. An adjusting invoice will be raised in October 2025 once all the 2025-2026 pass-through charges are known.

3. Fixed Gov't Fee - Stock & Domestic component.
Based on Stock & Domestic volume held by WCPID, 736 ML x Water NSW, WAMC and MDBA fixed charges of $14.83, divided by Members holding Stock & Domestic licences. These prices apply for the 1st Quarter only - 01.07.2025 to 30.09.2025.
Refer Ref. List 3. for calculations.

4a. Tier 1.
Owner of land with Delivery Entitlements

4b.Tier 2.
Owner of land on which West Corurgan works are located, but no DE's held by the owner.

4c. Tier 3.
Owner of land with no DE's, and no West Corurgan works on that land.

5. Water Consumption.
Incorporates Usages Charges as per Water NSW Regulated Bulk Water prices **2024-2025** for Murray & Lower Darling River System.
WCPID costing based on CPI increase and budgeted electricity pumping costs for 30,000ML pumped in **2025-2026.**

Water NSW Conveyance	$3.41
Water NSW - WAMC	$1.01
MDBA Charges	$2.16
MDBA - WAMC	$0.31
Total	$6.89

However, the $6.89 is **last year's** pass-through Gov't charge on behalf of Water NSW.
These prices apply for the 1st Quarter only - 01.07.2025 to 30.09.2025, and then an adjusting invoice will be raised in October 2025 once all the 2025-2026 pass-through charges are confirmed.

Refer Reference List 5. for calculations.

6. Ancillary Flow Fee.
Refer Reference List 6. for detailed explanation and exceptions.

7 & 7a. - Future Fund Levy.
Levy to be charged Half-yearly (in advance) for the Fixed DE component and charged Monthly (based on individaul Group usage) for the Variable ML Usage component.

Prepared 19.06.2025

	ADMINISTRATION FEES				**GST Inclusive**	
8	**Internal Allocation Transfer Fee** 1.	Per Temporary Allocation Transfer	Administrative fee to record and maintain internal transfers and to provide current available water records		$60.00	per transfer

			> Exact cost to be advised following detailed assessment of site			
18	**Standard Regulator (4')**	On completion of works	4' Regulator supplied and installed - Minimum cost		$13,450.00	>
			> Exact cost to be advised following detailed assessment of site			
19	**Decommission Fee**	On completion of works			$2,260.00	* >
	for stuctures decommisioned due to	Invoiced per structure decommissioned	* Exact cost determined at time of disconnection			
	termination	(Multiple structures priced on application)	> Exact cost to be advised following detailed assessment of site			
20	**Infrastructure Admission Access Fee**	On Admission Application	This charge may be applied to new Admissions into WCPID .		$43,000.00	**GST Free**
		Invoiced in full or part-thereof				
		GST Free				
21	**Excavator Hire**	Invoiced on an hourly hire basis	Hire of WCPID Excavator and Operator		$185.00	per hour
		Invoiced on completion of works				
22	**Pump Hire**	Invoiced on a per day hire basis	Hire of floating marine pump for irrigation purposes only		$645.00	per day
		Invoiced on completion of works				
23	**Water Tanker Delivery**	Charged per tanker load	Delivery of 27,000 litres of standpipe water		$812.00	per load
			Note: Deliveries outside the WCPID Scheme will incurr an additional $2.45 per klm travel charge			
24	Channel Water Extraction Fee	Access permission to extract water from WCPID Channel System.	# Price based on application			# variable. **GST Free**

8. Internal Allocation Transfer fee.
Determined by Board approval at Budget Board Meeting held 12.06.2025.

9. & 10. External Allocation Transfer Fee.
Determined by Board approval at Budget Board Meeting held 12.06.2025.

10a. External Alloc. Transfer Fee - per ML fee.
Charged per ML to be transferred OUT of WCPID Scheme.
Board of Management decision to discourage water from being traded outside the WCPID Scheme. WCPID budgets on quantity of water. If Members transfer water out, then impacts on viability of Scheme.

12. DE Termination Fee.
Termination fees calculated on the max. applicable fee under the Water Charge Rule 2010. ie. 10 times the fixed volumetric Network charge for the DE's wishing to be terminated.
$22.00 x10 = $220 +GST = $242.00

13. WCPID Register Amendment Fee.
This fee is a WCPID administrative fee to update Landholder Water Access Management and Accounting records. This fee will be charged when Water Entitlemetns are permanently traded both internally or externally (transformed off WAL). This fee will also be charged when Delivery Entitlements only are transferred.

14. Internal Entitlement Transfer Fee.
Both fees 13. and 14. will be charged

15. External Water Entitlement Transfer OUT of WCPID Scheme (Transformation).
External permanent transfer (transformation) of Water Entitlements OFF the WCPID WAL.
Both fees 13. and 15. will be charged.

15a. External Water Entitlement Transfer INTO WCPID Scheme.
External permanent transfer of Water Entitlements ONTO the WCPID WAL.
Both fees 13. and 15a. will be charged.

16. Interest Rate.
As per the NSW Local Court Pre-Judgement Interest Rates.
This rate is subject to change.
Rate of 8.35% is applicable as at 30.06.2025.

17a. Standard Wheel and Wheel Box.
17b. Speed Wheel and Wheel Box.
Materials, earthworks, labour and costs based on individual assessment of site. Quotation provided.

18. Standard Regulator (4').
Materials, earthworks, labour and costs based on assessment of individual sites. Quotation provided.

19. Decommission Fee.
This charge is based on Member request.
Detailed assessment of site is required in determing fee.

20. Infrastructure Admission Access Fee.
New admission into WCPID Scheme. Board determined fee.

21. Excavator Hire.
Timed (for excavator and operator) from when leave depot yard.
Volvo 22 tonne and Kubota 3.5 tonne available.

22. Pump Hire.
12" floating pump with a Hatz vertical diesel protected engine pump.

23. Water Tanker Delivery.
Based on Standpipe fee of $4.00 per KL
Calculated:

Water only	$ 108.00	Free
Delivery	$ 640.00	Excl. GST
+ GST	$ 64.00	
	$ 812.00	

Infrastructure and Management charges for 2025-2026 were determined by the West Corurgan Board of Management

Queries or disputes may be directed to the WCPID Office Ph: 03 5885 2392 or Email: info@corurgan.com.au

This report is compiled in accordance with the ACCC Water Charge Rules 2010 (Updated July 2020) and ACCC Guidelines March 2023

WEST CORURGAN PRIVATE IRRIGATION DISTRICT

ABN: 92 793 193 219

a. The Irrigation Corporations & Districts (ICD's) conduct activities that warrant a discount on Water NSW's regulated bulk water charges in recognition of avoided costs in delivering water to the ICD customers. IPART review and determine the ICD rebate annually. The total ICD Rebate to West Corurgan for 2025-2026 was not known as at 19.06.2025. The 2024-2025 ICD Rebate amount was used in pricing calculations.

A new 2025-2026 Schedule of Fees and Charges will be published prior to October 2025 providing all updated fees for 2025-2026.

1. Charged to purchaser unless prior arrangement has been made which has been confirmed by both the seller and the purchaser

2. Charged to the West Corurgan seller of permanent water sold OUTSIDE of Scheme (Transformed off WAL).

3. Charged to the internal purchaser and the internal seller of property and/or Delivery Entitlements and/or Water Entitlements.

4. Charged to the West Corurgan seller of allocation water OUTSIDE the West Corurgan Scheme

Prepared 19.06.2025

WEST CORURGAN PRIVATE IRRIGATION DISTRICT

Detailed Schedule of Fees & Charges 2025-2026

1st Quarter only - 01.07.2025 to 30.09.2025

Invoices due for payment 30-days from date of invoice

2025-2026 Water NSW Regulated Water Prices and WAMC Fees not known as at 19.06.2025.
2024-2025 Water NSW pass-through charges will apply until 30.09.2025. A correcting adjustment fee will be charged October 2025.

The new ACCC reporting regulations, effective July 2020, and ACCC Guidelines, March 2023, have been implemented.

WEST CORURGAN PRIVATE IRRIGATION DISTRICT

ABN: 92 793 193 219

Reference Listing Explained

a **a. ICD Rebate**

a. The Irrigation Corporations & Districts (ICD's) conduct activities that warrant a discount on Water NSW's regulated bulk water charges in recognition of avoided costs by Water NSW in delivering water to the ICD customers.
IPART review and determine the ICD rebate annually. The ICD Rebate is used in determining the Fixed Government General Security and Stock & Domestic pass-through charges.
The ICD Rebate to West Corurgan for 2025-2026 had not been advised by 19.06.2025. All pass-through charges are based on 2024-2025 fees.

1 **1. Network Access Fee.**

Fee calculated to cover WCPID ongoing overheads, wages, pumped electricity charges and operational expenses. CPI inflate rate is considered.
Determined by Board approval at Budget Board Meeting held 12.06.2025.

2 **2. Fixed Gov't Fee - General Security component** (pass-through charge) **All calculations based on 2024-2025 figures and charges**

Calculation determined by: All General Security volumes held by WCPID, multiplied by Water NSW, WAMC and MDBA fixed charges, (less the ICD Rebate amount), divided by General Security Water Entitlements held by WCPID Members, equals the charge across all Members holding WE's.

WaterNSW Charges - fixed	$1.15	
WAMC **# fixed** - collected by	$1.40	
MDBA charges - fixed	$4.43	
WAMC - MDBA charges - fixed	$0.73	
	$7.71	
Total WCPID Volume General Security Holdngs - ML		74,402
Gross General Security pass-through costs		$573,639.42
Less WCPID ICD Rebate. Refer a.		-$38,002.00
Total WaterNSW General Security pass-through costs		$535,637.42
Total WCPID Member Water Entitlements held		51,323
Last Year's Total Annual General Security Charge to Member's per WE		**$10.44**
Total First Quarter 2025-2026 Fixed Gov't General Security Fee		$2.61

The authority for the Water Administration and Ministerial Corporation (WAMC) charge is s.11 and Schedule 1 of the IPART Act and IPART's WAMC determination. The WAMC charges recover the costs of water management and planning activities and services. These services are currently delivered by DCCEEW, NRAR and Water NSW on behalf of WAMC. The Water NSW and WAMC charges are set by IPART. IPART sets these charges every four years through a public consultation process. It does update these charges annually if necessary. For more information refer to the IPART website.

2a. Regulated Bulk Water prices for Murray & Lower Darling River System 2025-2026 continue to use 2024-2025 fees.

3 **3. Fixed Gov't Fee - Stock & Domestic component** (pass-through charge). **All calculations based on 2024-2025 figures and charges**

Based on Stock & Domestic volume held by WCPID, 736ML x Water NSW, WAMC and MDBA fixed charges, divided by Members holding Stock & Domestic licences. Calculation: 736ML x $14.83 / 170 licences = $64.20

High Sec S & D - Water NSW Fixed Charge	$2.63	
High Sec S & D - WAMC# Fixed Charge	$1.40	
High Sec S & D - MDBA Fixed Charge	$10.07	
High Sec S & D - MDBA WAMC Fixed Charge	$0.73	
	$14.83	
Total Volume of High Sec - S & D Water Held - ML		736
Total WaterNSW High Security (S&D) pass-through costs		$10,914.88
Total number of extraction points		170
Total Annual S & D Fee per extraction point held by Members (24/25)		**$64.21**
		$64.20 rounded
Total First Quarter 2025-2026 Fixed Gov't S & D Fee		$15.55

Prepared 19.06.2025

ABN: 92 793 193 219

4 4. WCPID Stock & Domestic Fees

4a. Tier 1.

Owner of land with Delivery Entitlements

4b. Tier 2.

Owner of land on which West Corurgan works are located, but no DE's held by the owner.

4c. Tier 3.

Owner of land with no DE's, and no West Corurgan works on that land.

5 5. Water Consumption - from 01.07.2025 to 30.09.2025 (1st QTR Only) - Total charge = $29.12

Incorporates Usages Charges as per Water NSW Regulated Bulk Water prices **2024-2025** for Murray & Lower Darling River System.

Incorporates WCPID **2025-2026** costings based on budgeted electricity 30,000ML pumping costs and pumping and infrastructure maintenance.

Water NSW Charge	$3.41	
WAMC - collected by WaterNSW	$1.01	
MDBA charges	$2.16	
WAMC - MDBA charges	$0.31	
Total WaterNSW Usage Charge (pass-through)	**$6.89**	**Water NSW component based on 2024-2025 charges**

This is a WaterNSW pass-through charge.

The WCPID component of the Water Consumption Charge increased $1.50 to **$22.23** for 2025-2026.

Total First Quarter 2025-2026 WCPID Usage per ML charge	**$29.12**

6 6. Ancillary Flow Fee

Ancillary Flow Fee is a rate per megalitre charged to those owners who have delivered to their landholding a quantity of water in excess of 100% of the Delivery Entitlement held. This fee only applies to External allocation water transferred INTO WCPID from outside, or to properties where Water Entitlement exceeds Delivery Entitlement.

If the water allocation exceeds 100%, up to 110%, then the Ancillory Flow Fee will be adjusted accordingly.

Ancillary Flow Fee does NOT apply to off-allocation water or supplementary water.

7 7. Future Fund Levy

Levy instigated July 2025. Determined by Board approval at West Corurgan Budget Board Meeing held 12.06.2025.

Levy to be reviewed in 2030.

Levy fee is split equally between Delivery Entitlments held and Irrigation ML usage.

Fixed DE component charged July and January. Variable ML usage fee charged monthly based on irrigtion water used.

Note: Fixed Future Fund Levy component is payable regardless of seasonal allocation levels.

8 8. Internal Allocation Transfer fee.

Determined by Board approval at West Corurgan Budget Board Meeting held 12.06.2025.

9, 10 9. & 10. External Allocation Transfer Fee

Transfer fee of temporary water **INTO** or **OUT** of West Corurgan - Admin Fee

Determined by Board approval at Budget Board Meeting held 12.06.2025.

10 10a. External Alloc. Transfer Fee - per ML fee.

Charged per ML to be transferred OUT of WCPID Scheme.

Board of Management decision to discourage allocation water from being traded outside the WCPID Scheme.

11 11. Rate Certificate Fee

Certificate issued by West Corurgan advising property details, Entitlements held and rates & charges due as at time of certificate request.

Pursuant to S.173 (3) Water Management Act 2000 No. 92

Charged as requested

12 12. DE Termination Fee.

Termination fees calculated on the maximum applicable fee under the Water Charge Rule 2010.

ie. 10 x the fixed volumetric Network Access charge for the DE's wishing to be terminated. **2025-2026:** $22.00 x10 = $220.00 + $22 GST = $242.00

13 13. WCPID Register Amendment Fee.

This fee is a WCPID administrative fee to update Landholder Water Access Management and Accounting records.

This fee is also charged when Water Entitlements are permanently transferred both internally and externally and/or if Delivery Entitlements only are permanently transferred.

14 14. Internal Water Entitlement Transfer Fee

Internal permanent transfer of Water Entitlements within the WCPID Scheme. No impact on unit volume held on WCPID WAL.

Both Fees 13. and 14. will be charged to the Internal Purchaser

Fee 12. only will be charged to the internal Seller to update their Member records (if they remain a Member of WCPID).

15 15. External Water Entitlement Transfer Fee (Transformation OFF WAL)

External permanent transfer (transformation) of Water Entitlements off the WCPID WAL. (Out of Scheme)

Both fees 13. and 15. will be charged to the WCPID Member Selling the Water Entitlements (Seller)

15a 15a. External Water Entitlement Transfer Fee (ONTO WCPID WAL)

External permanent transfer of Water Entitlements onto the WCPID WAL. (Into Scheme)

Both fees 13. and 15a. will be charged to the WCPID Member purchasing the Water Entitlements (Purchaser).

16 16. Interest Rate.

As per the NSW Local Court Pre-Judgement Interest Rates. **This rate is subject to change.**

NSW Local Court applicable interest rate as at 30.06.2025 is 8.35%. This rate will apply until a new interest rate is advised by NSW Justice Department - Court Services.

17 17a. Standard Wheel and Wheel Box.

Materials, earthworks, labour and costs based on assessment of individual sites. Quotation provided.

17b. Speed Wheel & Wheel Box

Materials, earthworks, labour and costs based on assessment of individual sites. Quotation provided.

18 18. Standard Regulator (4')

Materials, earthworks, labour and costs based on assessment of individual sites. Quotation provided.

19 19. Decommission Fee

This charge is based on Member request.

Exact cost to be advised following detailed assessment of site. Quotation provided.

20 20. Infrastructure Admission Access Fee:

New admission into WCPID Scheme. Board approval required. Board determined fee at time of Application.

21 21. Excavator Hire (Plant & Operator)

Time for excavator and operator from when leave depot yard.

Volvo 22 tonne and Kubota 3.5 tonne excavators available

22 22. Pump Hire.

12" floating pump with a Hatz vertical diesel protected engine pump.

Pump hire is available for irrigation purposes only.

23 23. Water Tanker Delivery.

Based on Berrigan Standpipe fee of $4.00 per KL

Calculated:

Water only	GST Free	$108.00
Delivery	Excl. GST	$640.00
GST		$64.00
Total		**$812.00**

WCPID Water Tanker holds approx 27,000 litres

WEST CORURGAN PRIVATE IRRIGATION DISTRICT

ABN: 92 793 193 219

Prepared 19.06.2025

24 24. Water Channel Extraction Fee

Access permission to extract water from WCPID channel system.
Price may vary and is based on appliction.
